

2023
BEST
OF NAPA VALLEY
AWARDS
READERS CHOICE

The results are in! *Napa Valley Life* is pleased to present our annual Best of Napa Valley Readers' Choice Awards. The voting process launched in September with an aggressive digital campaign soliciting our readers to vote for their favorite people, places, and things in Napa Valley. When we tally the votes at the beginning of December, we are always impressed with the thousands of responses we receive, including the input we collect in the write-in section. We consider nominations that were not on our list and requests for groupings

to consider. This year, thanks to your suggestions, we separated the Best Tasting Room classifications into two and added three new categories: Best Coffee Shop/Bar, Best Brewery, and Best Food Truck. And for that, we thank you. Your participation and thoughtful input make this your list, and we are honored to have the opportunity to share the results.

So please join us in congratulating all the winners, as well as the many nominees from which you had to choose. Most of them are there because of you.
